# STOP THE KILLING! STOP THE WAR!

**WAR MEANS DEATH!** The aerial assaults on Iraq and Kuwait were not a surgical strikes. Adm. Eugene LaRocque (ret.) estimates a minimum of 100,000 Iraqi and Kuwaiti civilians will be maimed as a result of the U.S. war with at least 10,000 civilian dying. In a short war he estimated that 35,000 U.S. troops would be wounded and 10,000 killed, along with 35,000 Iraqi soldiers. In Boston people will die for want of medical care as doctors, nurses and hospital beds serve war and not the poor.

**BUSH CHOSE A NEARLY UNILATERAL ATTACK.** Only the United States, and the smaller French and British forces have agreed to attack Iraq. All of the other members of the international coalition refuse to attack Iraqi territory.

**BUSH CHOOSE WAR NOT DIPLOMACY:** From the beginning the Bush Administration's demand for "unconditional" withdrawal of Iraq from Kuwait was a rejection of diplomacy. For the past five months the Administration has rejected or undermined all efforts to achieve a just peace as proposed by France, the Soviet Union, Jordan, Algeria, the P.L.O. and other intermediaries

**BUSH CHOSE WAR NOT SANCTIONS.** Former President Jimmy Carter, seven U.S. Secretaries of Defense, two former Chairmen of the Joint Chiefs of Staff, 47 U.S. Senators and 183 members of the U.S. House of Representatives all called for continued sanctions and not war.

**BUSH CHOSE DOUBLE STANDARDS!** The U.S. barely supported a decade of sanctions that finally forced the Government of South Africa to negotiate with the African National Congress. It took nine years of economic sanctions to transform racist Rhodesia into Zimbabwe. The world looks in disbelief as U.S. allies in this war continue to occupy conquered territories: Israel in the West Bank, Gaza, and Southern Lebanon, Syria in Lebanon, Turkey in Cyprus, Morocco in the Spanish Sahara.

**WE CHOSE LIFE, NONVIOLENCE, AND RESISTANCE!  
JOIN US IN CALLING FOR AN END TO THE WAR TODAY!  
CALL CONGRESS 202-224-312. URGE THEM TO HALT THE WAR  
JOIN US TO MARCH ON WASHINGTON JANUARY 26.**

"Now let us begin. Now let us re-dedicate ourselves to the long and bitter—but beautiful—struggle for a new world. This is the calling of the children of God, and our brothers and sisters wait eagerly for our response. Shall we say the odds are too great? Shall we tell them that the struggle is too hard? Will our message be that the forces of American life militate against their arrival as full men and women, and we send our deepest regrets? Or will there be another message, of longing, of hope, of solidarity with their yearnings, of commitment to their cause, whatever the cost? The choice is ours, and though we might prefer it otherwise, we *must* choose in this crucial moment of human history."—Dr. Martin Luther King. April 4, 1967.
